

Welcome to BudCo Farms! We are a family-owned, Tier 2 Washington State Licensed Producer and Processor located in Spokane, WA. At BudCo Farms, the 'Integrity of the Garden' principle guides our company and employees to create World Class Cannabis products which are ethically produced and processed for safe and satisfying use by our customers. Our plants are hand watered, Hand trimmed, and grown indoors. Our plants are treated with a mineral oil spray called Suff Oil X, during veg only, and grown in nutrient rich soil.
