Evergreen Herbal

Pesticide Disclosure Statement

Lic #425183

We assure you that we are a responsible processor with an impeccable track record when it comes to compliance with the laws and regulations concerning pesticides, herbicides and quality assurance testing of our products by state certified labs. We only source our cannabis plant material from WSLCB licensed growers who only use LCB approved pesticides. We strive to source CLEAN GREEN CERTIFIED material whenever possible.

At Evergreen Herbal, we manufacture our own cannabis products without using any pesticides or herbicides. We comply with all laws and WSLCB regulations concerning pesticides and herbicides.

For 5 years, we have been proud to produce and provide quality, safe and delicious products to our customers.

Please contact us anytime with any questions. Thank you for your support.
