

Dogtown Pioneers Inc.
P.O. Box 308
Deer Park, WA. 99006-0308

1 Apr 2019

Dear Valued Customer:

This letter is to inform you of the two organic pesticides that we have used during growth of the flower at our Tier III facility Dogtown Pioneers Inc in Clayton Washington, which was then extracted to create oil used in our various products. These organic pesticides were used during the vegetation phase of growing our strains of cannabis for insect control.

- Insect Killing Soap – Active Ingredient: Potassium Salts of Fatty Acids
- Horticultural Oil – Active Ingredient: Rosemary Oil, Clove Oil

Both products are approved for use in i502. If you have any questions or require assistance on this, please call 509-276-5659 or email us at order@dogtownpioneers.com

Sincerely,

Rodney Boast
Chief of Operations
Dogtown Pioneers Inc.
