

The High Road LLC

Tier-2 Cannabis Production Facility

Deerpark, WA

MISSION STATEMENT:

We are a family owned and operated business first and foremost. Cultivating the finest cannabis is not our job it's our passion. Our mission as a tier two in-door cannabis producer and processor we pride ourselves on our consistent quality product. Years of expertise in the gardening practice have allowed us to cultivate only the highest quality cannabis plants.

Our cultivators are diligent in providing only the finest cannabis products. All of our cannabis plants are grown in small batches, and each of our grow rooms are individually climate controlled for optimum growth potential. Each plant is hand watered, hand trimmed, and grown with love. So, get elevated and join us on The High Road.
